“ *I met Keith for the first time several years ago when I worked at the Ayer McDonald's back in 2015. Keith was always laughing, and there was never a moment where he didn't have a smile of some sort on his face. He had a laugh that was so contagious and when you heard it, you instantly knew at the back of your mind "That's Keith!".*

A pure soul, a man with nothing but good intentions, he was always there and put the needs of other's before his own-self. Keith has impacted so many lives around this little town of Ayer, and he will continue to live on forever in our hearts.

Keith was a vry good friend of our grandson, Jeffrey, and sometimes stopped in at our house with him. He was always kind and respectful, and yes, always smiling. We were so sorry to hear of his passing, and send prayers to his family and all who loved him.
