“ Carol, Tom, Steve, and families ~
I'm so sorry to hear of Keith's passing. I have such fond memories of chatting with him years ago. He was always very thoughtful and kind to his core. It's not easy to lose someone so close to the holidays, and now with all the restrictions of COVID....I just wanted to extend my deepest sympathy to each of you, and tell you that I'll pray that Keith will rest in peace.

*Sincerely,
Joan (Belliveau) Fiset*

I just learned of Keith's passing today. In the early 1970s, Keith and a few other friends rented the house next door. We soon became great friends and shared many laughs and boat rides together. They came over the day they had proudly filled their oil tank; they thought that would take care of heat for the whole winter. I lost touch with Keith several years ago, but will always think of him with love.
