Keith was born on October 10, 1961 in Boston, MA and was the oldest son of Paul Francis and Elaine Ann Walter of Ashby. Keith grew up in Westford, and attended Bishop Guertin High School in Nashua, NH, where he was a defenseman on the hockey team.

Keith had a brilliant mind. He attended UMass Lowell where he graduated with a degree in Industrial Engineering. Keith spent many years playing and coaching hockey, soccer, and baseball where he formed many friendships. He was known for his slapshot on the ice. He also loved music. His favorite bands were The Beatles and Led Zeppelin.

Keith was an ardent fisherman and spent every Monday with his dad, Paul, and his two sons on the boat fishing for striped bass out of Newburyport on the Merrimack River. They caught many fish and even created their own personal “Striper Cup” for the one who caught the biggest fish of the season.

Keith loved his family very much. He enjoyed spending time with his parents and helped to take care of them in their later years. He also loved his German Shepherds – Baloo, Frodo, Odie, Brutus – and he leaves behind his baby, and only girl Shepherd, Nina, who stood beside him when he died.

“ I am so sorry to have missed Keith's passing by 2+ years. I worked with Keith at the Smithsonian. We had a connection thru our U Lowell days and shared a lot of memories of that time. I know he loved his family dearly as he talked about them all the time...the fishing, the weekends out, proud of his Dad, his boys....we had a lot of good laughs as Keith was always upbeat and energized. I wish I hadn't lost touch the past two decades as I moved on in my career. Belated condolences to the family.
