

Kelly L. Keaveny

February 26, 2017

Kelly was born in Concord, March 12, 1976, a daughter of James F. Keaveny and Wanda J. "Wink" (Westover) Belanger and grew up in Shirley.

She was a graduate of Ayer High School and received her Bachelor's Degree in Human Resource Management from University of Massachusetts, Amherst. For the past seven years she held the position of manager at Able Air Company in Hudson, NH.

Kelly was an amazing person; woman, daughter, mother and friend. A room would literally light up when she walked in. She was beautiful, inside and out.

As a single parent, she lived and breathed for her twin boys, Jack and Luke. This world will never, ever be the same without her.

Besides her father of Fitchburg and her mother of Leominster, she leaves her twin sons, Jack Henry Keaveny and Luke James Keaveny both of Ayer; two brothers, James P. Keaveny and his fiancée , Vanessa Jarvais of Hillsboro, NH, Nathan W. Ducharme and wife Ashley I. Ducharme of Pepperell; her sister, Katie P. Belanger and her fiancée, Corey Mundell of Athol, her stepfather, Martin J. Belanger of Leominster, her stepmother, Lynn M. Belliveau and daughters, Jennifer and Darcie of Fitchburg; two aunts, five uncles, many, many cousins and dear friends.

“ *Kelly,
Today was such a beautiful dedication to your memory. Much love was in the room. We will forever hold you in our heart. We will never forget your laugh, smile, radiant personality and how dedicated of a mother you were to your dear boys. Bryan and I will miss your banter. He'll miss his "Schoonie"... I will miss our passionate talks about politics and will remember our adventures on the Trump trail here in New Hampshire. So glad we got to share that! Our love from the Fenn family to yours.*

“ *Dear Wink and Marty - young hearts are supposed to live forever, and in your hearts, Kelly will live all the time. She will continue to live with you through Jack and Luke. Jack and I are so sorry for your loss, my mother, Aunt Virginia, thought the world of Kelly and often laughed as she told us about her when she baby sat for her when she was a tiny little bundle of joy. God bless you all and our hearts and prayers are with you. Bonnie*

“ I feel in my heart that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Kelly's memory lives on through each life she touched. I am grateful for the memories I will forever hold in my heart of my beautiful former Ayer High School classmate.

I Extend My Sincere Condolences to Kelly's Family. I Am Praying for Your Strength During this Difficult Time.

I remember being the "new" one in an already established group, Mike's recruit at the PIC, yet you welcomed me with you're bright smile and a hug. Life brought about many changes for the both of us over the past few years. What never changed was the kind, loving, caring person you were.
