“ Dear Any and Kelly, I was so very sorry that Kevin passed, he was always a gentle person who loved you both deeply. I shall always remember the deep love and unbounded dedication that you all had for each other. That was so evident in the tireless and enduring time that you both spent with him in the hospital and the nursing home over the last two years. He is at peace now with Joe and Jean and the rest of the family.

May your wonderful memories of him provide you with comfort in this time of sorrow. Bobby Garo
