“ *My deepest sympathy to all of Kimberly's family & friends. I had met Kimberly one night at the American Legion with her sister in law Theresa. She was fighting her cancer at the time & knew it wasn't good. She seemed so brave with her struggle smiling & laughing. It was a pleasure to meet her that night.*

“ *Kim was my closest childhood friend from Thompson School in Arlington. She was one of the few who was nice to me, being new to America in 1983. Always came to my birthday parties. I will always remember her the way she was dancing in the center. My favorite picture of her. I will miss her dearly.*

My deepest condolences to the entire family and all who loved her. May God give you all peace and strength.

*May God illuminate her soul, as we say in Armenian. All my love,
Suzy Ohannessian*
