“ Marie and family, my sincere sympathies for the loss of your husband and father. I have so many memories of us all being children on Leyte Rd. One of the most memorable is riding in the back of Lennys truck, we'd all pile in there and take a ride to the natural spring for water up in W.Fitchburg. My heart goes out to all of you. I pray you can all find peace and comfort knowing he is in the arms of our lord.

“ Marie, Dave and girls,
Sorry for your loss, I remember him from growing up in the project. I used to see him from time to time in my cruiser before I retired, but I don't know if he knew who I was. My thoughts and prayers are with your entire family.
