“ *It was such an honor to work with mama lina. Thank you for welcoming me into your family. She was the spark that lit up my days when they were cloudy and was my biggest fan and motivator daily. I am so truly blessed and she will forever be in my mind and heart.*

“ I remember always being welcomed in back in the days when kids
knocked on the door and asked “can Jane come out and play ?”
She'd let us play dress up with the fancy dresses in the basement.
Funny I also remember how she'd write in shorthand on gift boxes
so the kids couldn't read what was inside. My condolences to the
family of a lovely lady.
