“ *The volunteers at the Shirley Historical Society Museum have been missing Linda since she stopped coming in, last Spring. We miss her smile, her willingness to take on crazy projects, her caring attention to workers and visitors, her careful work mounting displays, her phone calls, her great editing skills, and her love for all of us.*

“ *25 years ago our family was lucky you decided to move next door to us.. Over the years we adopted you as our family member, I always called you Auntie Linda.. The holidays will never be the same without you.. Family isn't always blood, it's the people in your life who want you in theirs; the ones who accept you for who you are, the ones who would do anything to see you smile and who love you no matter what. You were our family.. I am thankful for all the wonderful memories. I am truly happy you came into our lives.. Rest in Peace my friend, Auntie Linda.. xoxoxo.. Love you..*
