“ You were a force to be reckoned with - but you were fun, smart, quick witted, and lovable. You accepted me the day we met and it was like I had been part of the family all along. You accepted me and never made me feel like I "wasn't good enough".

Your smile is still amazing. I can see it in my mind and in pictures. It would lite up the room. We teased each other so much. . . I did it because it made you smile, even when you didn't want to smile but couldn't help yourself and you would have that funny grin.

The pain your family and friends feel now is hard. It will be painful in the future when we want to tell you something. . . but we are all so much better for having you in our lives.

Until we meet again - keep up the smile and the funny grin. . . we will tease each other again.

“ *Mr. and Mrs. Hachey were very dear friends to my mum and dad, Yvette and Normand Damien. I remember, and enjoyed all the many visits at our house and theirs. My mother and I still laugh at a time when Mrs. Hachey came to our house for New Years Eve. My mum had a box of party favors and we all chose our hat and noise makers. When Mrs. Hachey picked her horn up out of the box, there was an old apple core stuck to it! We could not stop laughing! Years later after moving to Texas, my mother would receive a gift in the mail from Mrs. Hachey. It was a wooden apple core Christmas Tree ornament!*

Mrs. Hachey was a very nice and fun lady who was a wonderful family friend, to also my Aunt Louise.

She will be greatly missed.

I send my deepest condolences to Mr. Hachey, Jim, and Greg and family.

I pray for your strength, peace, and comfort and send lots of love and hugs.

God bless you all.

Love, Lynne Arnett (Damien)
