“ No trip in Maine was complete without people doing their best impression of Louise's fun Maine accent! It always entertained. As long as people continue to do that, her memory will stay alive. My sympathies to all of her family during this difficult time.

“ Auntie Lou Lou was my second Mom for most of my teenage years. She was a bit of a rebel, and could be counted on for card games, crabmeat picking, bad jokes, hilarious stories and she always had your back. We were blessed to have her in our lives. My love to you all. Lynn Anderson
