“ *Words cannot express how deeply sad we are to lose you Lucy. You have been a true sister to me for 40 plus years. I have so much love for you and there will be a very big void in my heart for a long time. You were the glue that held our family together. I feel truly blessed to have known such a courageous, generous, selfless and loving human being that you were. I will never forget all you did for me. Randy was so lucky to have you as his wife. I know when he left us in June your heart was truly broken. You two belong together and now you will be for eternity. Please give my brother a big kiss for me. Love and miss you always!*

“ We are so sorry to hear this news, Lucy and I were such good friends years ago, we drifted apart and I have missed our friendship dearly but she was forever in my thoughts. Through the magic of social media we were able to reconnect. No matter how much this hurts we should all take comfort in knowing she is with the love of her life. Your family now has two beloved angels looking over you.
