

Lucille J. Thonis

June 26, 1927 - September 23, 2020

TOWNSEND: Lucille J. (Poitras) Thonis, 93, of Townsend, passed away Wednesday, September 23, 2020 at home following a brief illness. She died peacefully in her sleep in the care of her devoted, long-time friend Jane Perna.

In accordance with her wishes, Lucille will be cremated and her ashes scattered by her children over the White Mountains of New Hampshire, a place she and her late husband George, who built their home from the ground up, loved dearly. Anderson Funeral Home of Townsend is assisting the family with arrangements.

Please consider making a donation to the charity of your choice in memory of Lucille, who spent her life as an educator, mother, grandmother, great grandmother and spiritual healer to many. She also was strongly dedicated to God, Jesus Christ and the Blessed Virgin Mary.

Lucille was born, also at home, in Fitchburg, Massachusetts on June 26, 1927, one of 12 children and the daughter of Euclide and Mathilda Poitras.

Lucille, a bright, strong-minded woman who was dedicated to ensuring her five children would be well educated, decided as a full-time mom to go to college, also full-time, to earn her teaching degree from Fitchburg State

College in 1965.

That decision launched a 40 year career as a teacher and school administrator throughout the North Middlesex School District. She ended her decorated teaching career at Spaulding Memorial School in Townsend.

Lucille followed that calling with a new mission as a spiritual healer and certified Reiki Master. While teaching Reiki to others and using its power to heal many residents of Middlesex and Worcester counties, Lucille continued to interact with children via reading sessions at local schools. She was known affectionately by her many students as "The Reading Lady."

Surviving Lucille are her five children, Michael Thonis of Wellesley, MA.; Peter Thonis of Franconia, NH; Paul Thonis of Corning, NY; Michelle Ryan of North Chelmsford, MA.; and James Thonis of Milford, NH, as well as each of their spouses. Also surviving her are two brothers, Roger Rheault of Georgia and Bob Rheault of Townsend, MA. Furthermore, she is survived by eight grandchildren and six great grandchildren, plus dozens of nieces, nephews and cousins, many of whom live in New England.

Given current restrictions on public gatherings, the family is not planning memorial services at this time. Future plans will be announced at a later date.

“ *Back in the late 70's Lucille helped us as parents in making some important decisions about our son's education. Shortly after, she assisted me in becoming a teacher for the North Middlesex district where I spent 23 wonderful years as an educator. I greatly admired and respected her. She was a great lady.*

“ Lucille was the assistant principal and curriculum supervisor when I first accepted a teaching position at Varnum Brook in 1985. She gave me my very first teaching evaluation. She was so sincere in her praise and appreciation of my teaching. It made me constantly strive to be a better educator. She was quick to praise and guide with a strong yet gentle caring heart. She simply radiated love of learning, teaching, and people in general. Lucille, you warmly remain in the hearts of so very many lives that you touched throughout your years at North Middlesex. May you Rest In Peace.

“ I remember Lucille from her days at SMS when she was my son's classroom teacher. He was so lucky to have such a caring and thoughtful teacher.
I re-met Lucille when I joined the staff at PFS in 1973. She hadn't changed. She was small in stature but big in her genuine kindness and teacher support.
I feel privileged to have worked with her. She was an outstanding human being!
May you Rest in Peace. Love, Linda Brown

“ *Lucille was an Instructional Supervisor when I came to North Middlesex, so very effective and respected. I admire the life she led beyond the schoolhouse....family, friends, laughter, healing. She returned to the classroom at the end of her career with such grace. For years as a retiree she spent a day each week reading to children and giving teachers a break. May she rest in peace.*
