“*Lynne has left a void in many of our lives, and will be missed immensely. She'd often call and spend hours talking. Reminiscing about the camping trips we'd take, the BBQ's at my parents, sleep overs, band, and school. Her favorite subject to talk about were her nephews. She looked forward to cooking with them and spending time with her Sister.*

Lynne, like her late twin sister Lois, loved games. We laughed as I told her about the new games we'd just purchased. She was looking forward to playing them all next time we came up to visit.

When I went in the Navy, Lynne consistently sent me cards and letters. Always encouraging me and letting me know I was missed. She made bad days bearable, and gave me the strength when I needed it most. She always knew the right thing to say at the right time.

The world may of lost a beautiful, caring, and loving person. However, heaven has gained an angel 🙏. I love you Lynne and will miss you terribly. Your friend Kathy Murray Clatworthy and family
