“ To the Mezeski Family: I am sorry to hear about Marcia's death. It is never easy to deal with the death of a loved one. It is obvious that Marcia was someone who wanted to help provide desirable living conditions for those around her. It is nice to know that God's Word promises that there will be a time in the future when all sickness, death, and violence will be done away with right on here on the earth at a time when many who have died will be brought back to life (Psalm 37:10-11; Acts 24:15; Revelation 21:4).
