

Margaret T. "Honey" James

January 18, 1945 - May 11, 2020

AYER- Margaret T. (Kenney) "Honey" James, 75 of Ft. Myers, FL and Ayer, formerly of Acton, died Monday evening, May 11, 2020, in the Emerson Hospital in Concord.

She was born in Boston on January 18, 1945 a daughter of the late Henry and Mary (Holland) Kenney. Honey graduated from Somerville High School in 1963 and had resided in Acton for 28 years before moving to Ayer in 1998.

Honey worked as a Real Estate Paralegal for several years for different firms, most notably at D'Agostine and Levine in Acton and Berkowitz & Currie in Somerville prior to her retirement in 2003.

Honey enjoyed every moment she spent with her family and friends on Cape Cod....many, many years on their boat water skiing, fishing, and cruising with their kids. She and Ray especially loved time spent at their home in West Dennis and their good friend's home in Dennisport. She also loved all the memories made with families and friends eating at The Yarmouth House, one of their favorite restaurants. After selling their home on the Cape, they bought down in Fort Myer's, Florida. There they led a very active life, spending lots of time with Honey's brother, Tom, and his wife Sandy. They were lucky enough to have their friends from high school down there, whom they spent a lot of time with. They also made new friends whom they love and have come to

cherish. Honey was so looking forward to her first great grandchild, a little baby boy due in August. She was absolutely the strongest woman ever and we know that she will be with us always and watching over us all!

She leaves her husband of 56 years Raymond L. James; two sons, Richard H. James and his companion, Jeanne Dewire of Maynard, Brian J. James and his wife Karen of Burlington; a daughter, Carolyn K. Dupell and her husband, Joseph, of Ayer; her brother and sister in law, Thomas J, and Sandra Kenney of Ft. Myers, FL; six grandchildren, Alex James, Marissa James, Joey Dupell and his wife Yumi, Jessica Imbrogna and her fiancée, Tyler LeBlanc, Ryan Dupell and Meghan Dupell.

Due to the current restrictions on gathering, funeral services will be held privately. A celebration of Honey's life will be held at a date and time to be announced.

Memorial contributions may be made to the American Diabetes Assn. 260 Cochuate Rd., # 200, Framingham, MA 01701.

I was saddened to hear of her passing. She was always kind to all of us kids in the old neighborhood. Please don't focus on the date of her birth or the date of her passing. Focus on the dates in between where she touched so many lives. She will be missed

My heart aches for Ray and the family at the terrible loss. Honey and I were friend for sixty one years. She was like a sister to me and the rest of our "Circle". Honey was always there for everyone. She was one of a kind. No other like her. Her family was everything to her. And I'll miss our times together at their home in Fort Myers. I know all our IC friends will miss her dearly.

And we hope and pray God will give Ray and all the family the strength to carry on. As Honey would say "Don't your dare feel sad, your have to carry on".
