“ So sad to hear about Nan. We were part of the class of 1967 at Henry James in Simsbury. I remember her being an artistic force of nature. And she had a great laugh. My sympathies and prayers go out to her family.

“ *Oh, we are so saddened to learn of Mariana's passing. She had such a talent, was so clever and humorous. I was happy to know her and learn so much about painting, art, the artist's eye through her. What a privilege it was. We send our condolences to Stephen, Jesse and family and to Jenka and family.
