*Dear Ron and family,*

*I was very saddened to hear of the loss of your wife of many years. The last time I saw Marilyn was at an annual meeting of the condo assoc. She told me that night of her illness and at that time I was fortunate enough to be able to thank her in person for her help to me when I was a young man. It had a huge influence on my life. Her kindness to me was never forgotten. Sending my condolences to you and your family at a very difficult time.*
