“ *Sam, Katie, Barbara & families,*

So very sorry to hear of Midge's passing. She was such a remarkable woman. I will always remember how kind, thoughtful and full of fun she was. My fondest memory was the time we showed up unexpectedly...me, John and two kids, for a short visit and she insisted that we stay for dinner. She put together a dinner of pancakes & eggs without hesitation. They were without a doubt the best pancakes I ever had. I'm sure that it was all she had on hand at the time...especially when guest show up unexpectedly. She made us feel so welcome and comfortable along with your dad, who also had a very kind, generous heart.

This past year has been a difficult one for many. Any family gatherings, whether a holiday, wedding or funeral has been curtailed, which is so sad, but understandable.

Please accept our deepest condolences from afar, since we are unable to see you and your families in person.

In Sympathy,

Cousin John & Barbara Costa

“ *There's no words to say how I feel. There's a big hole in my heart... Midge, you will be truly missed. There's just soo many great memories, breakfasts at sunrise, working day in and day out in the egg room and all the shenanigans that go with it. I used to love egging you on, (no pun intended) just to hear you scream those words I so much loved to hear from you, "God damn it Michael!!" Yours is a second family to me and don't think it doesn't go appreciated. I love you all so much. So for now that's it... everything stays the same and I love you as much as ever. I'll catch you on the other side so save as spot for me. Meantime, give Sam and Janie a big hug and my love. Love you Midge.. 💔*
