“ I’m so sorry for your loss. Mark was a really good friend of mine. We often talked about music and wildlife concert stories motorcycles and politics.  
We shared early memories when we jammed on Guitar and Drums together at the Carbone household. I can still hear his voice ,God bless Mark ❤️

“ So sorry for your loss. Mark has always been a good friend. From setting up and shooting firework shows, all the concerts we did, all the work he did at the Rod and Gun Club, the rockhounding trips, and so much more, he was there. Wish he still was. God bless.
