“ I enjoyed visiting and chatting with Mark when I could, and although I knew he was frequently in pain, he always had a smile for me. He loved to share his architectural designs and one which he was particularly pleased with was a strip mall. Then there was the day I was pleasantly surprised to receive a signature birthday card, which was another display of his artistic talent. We all loved him and he will be greatly missed. Jesus said, ".....in my father's house there are many mansions..." Hmmm...makes you wonder what Mark might be doing in God's kingdom today. God's grace, love, and peace to Mark's family, of which I'm a member...
