Shirley- Mark Thomas Seidl, 56, of Shirley passed away peacefully on Friday morning, December 29, 2023 in his home surrounded by the love of his family and his faithful dog, Jill.

Mark was born in Groton on October 8, 1967 and grew up there graduating from Groton-Dunstable High School in 1986.

Mark had two long term occupations that he thrived in. He was a cook and manager at Johnson's Restaurant and Dairy Bar in Groton, MA. During his decades working at Johnson's, he was a beloved coworker, friend and mentor to many. He also worked for Combined Energies, Inc. since 2005 where he was a master pool and pool house builder with specialties including tiling, coping, HVAC, and masonry.

Mark's passions in life included black and white drawing, playing guitar, BMX biking, fitness, music, spirituality, and spending time with loved ones and his animals. He was an early contributor and guitarist for the progressive metal band, Project Synergy. He spent time in the late 80s and early 90s writing and playing with them. Some of the work Mark contributed to was released on their album Kaleidoscope in 1998.

Mark cherished his beautiful wife of 18 years, Audrey, who took the utmost care to ensure he had his end of life wishes to die peacefully at home surrounded by love. Mark was most proud of being a father. He considered this his greatest accomplishment in life. He also loved being a grandfather to his eight beautiful grandchildren.

“ *My condolences to Audrey and all the family.*

Playing guitar with Mark, Jim Tedesco, and Lee Alexander in Shirley back in the late 80s and early 90s was so much fun. We did a ton of practicing, creating music, laughing, and head banging. He was extremely well liked and had a great attitude toward everything he did.

He will be missed.

“ Growing up with Mark as an older cousin left memories and impressions that have lasted a lifetime. His "cool factor" was off the charts. He introduced me to heavy metal. I still can't hear Quiet Riot, Iron Maiden or Metallica without thinking of him. I remember being a young boy sitting mesmerized while he would freehand the most intricate drawings with just pencil and paper - I'd give it a try myself and come up with stick figures and scribble. I remember the best BMX and trick riders in my town would speak of the legendary rider out of Groton named Mark Seidl. All his talents aside the thing that made the biggest impression he on me as a young adolescent was watching him raise 3 beautiful children as a young man. His humble demeanor, sense of humor and gentle temperament always stood out.

Sending many thoughts and prayers to Audrey, Sam, James, Taylor, Bob, Judy, Jason and all his extended family.
