“ I have experience few so willing to share the journey as they dealt with cancer. She was humble enough to ask for support and specific help. She shared openly rather than hide away, what was going on along the way. She even made time to celebrate and thank those who were willing and able to be present in so many ways. Her honesty and positivity were and are infectious.

“ I was so sorry to hear of Martha's passing. She worked with me doing activities in the Reflections unit at RiverCourt Residences. Martha shared her love of music with the seniors along with joining us at the Indian Hill Bach lunch concerts and meeting a few furry friends at our annual petting zoo! She will be truly missed. My deepest sympathy to her family and friends, Laurie Morency

I'm so sad to her of Martha's passing. She was truly an amazing lady. Always looked at the bright side of things and made the best of the situation. She was a gentle, carefree, genuine & loving soul. It was always a pleasure to bump into her at work at Rivercourt.
