“ *Mary was such an inspiration to me and so many others. She worked very hard at losing weight while gaining strength and fitness —with great success! She smiled through it all and didn't complain or take the easy route. She was always kind, friendly, and supportive. A beautiful life and beautiful soul for sure!*

I am saddened to learn of the passing of Mary. She was a wonderful person to all in Emergency Department at Nashoba and a wonderful friend to me and my children. She will be remembered forever for keeping us laughing and well fed in the wee hours of the morning at Nashoba with her sense of humor and her beautiful cakes and cinnamon rolls. She had the most beautiful Christmas village and made the most beautiful needlepoints. She enjoyed life, her family, her friends and her travels and inspired us all. Thank you for touching my life. I learned so much from you and you were such a friend. I will miss you. Bless you. Ann Marie Testarmata, MD
