“ Cindy & Karlee, Again, I'm so sorry for your loss. So many memories of Jan and how much she loved you, and the pride on her face when she spoke of you guys. She was such a caring woman with a big heart. I remember wondering how she always kept such a neat house with so many pets, and the plastic coverings she would keep on the furniture to keep them clean. She probably would have taken in just about any needy pet to bring happiness to her family. But most of all, I remember all the pictures she had of Karlee all over the house... she was so proud of her. The kindness Jan showed to me and my kids was so appreciated, and she will always be remembered with a smile. I didn't realize today was Jan's birthday until I came to write this msg, but I'm sure she is full of pride watching over her family and reunited with Bob once again.

“ Haven't been up to saying much but feel I should thank everyone who have shown love and compassion towards my family during the loss of our Mom. Oddly and I don't know why but right after she passed the memory of her teaching me to tie my red sneakers while sitting on our stairway seemed to flourish out of nowhere. As I read through these comments it also reminds me of things I'd forgotten over time. Thank you to all who took time to say a little something..it means the world to myself and my family. God bless you all. XO

We lived down the street from them on pine ridge dr. Mr.Schick worked at Laggis a men's clothing store. Linda was good friends with my sister Tracy. The place were we all lived was a great place to raise a family.
