“ I met Mary when I first started as a Selectwoman. She never missed a meeting. Sat in the same seat for years. I once joked I was going to move her seat and got the "glare". I adored her. She was engaged, feisty, funny and had a mind like a steel trap. She was awesome! We served on a couple of committees together and would chat afterwards. Loved it. I will always miss you Mary. Thank you for everything.

“ Mary was my parents Myrick Street neighbor for 42 years; she was always generous with the wedding and baby gifts for my siblings and me. Mary loved talking politics and loved her country, so it was very fitting she died on Flag Day. Condolences to her family from the Melanson family.

“ Mary was the very first Ayer resident who joined in our initial community meeting at the Ayer HS to address drinking water issues in Ayer. She expressed grave concerns way back then, about possible contamination in the water.. and over the years, she continued to support PACE's work, connecting us with the Board of Health. I will always remember and appreciate her support, kind words, and friendship. Laurie Nehring
