“ Many memories in my friendship with Mike, from his first marriage to Fran, to his children Jodie and Mark to the endless chess games, his cars, jobs and the vacations.

Mike was a tireless worker. Even though we were not related we were from the same area in Pittsburgh Pa, married sisters and spent many hours working and playing to become fast friends. I have many of Mike memories to last a lifetime, one highlighted was the Steelers " Immaculate Reception." game which Mike and I attended, (the play happened right in front of us but he saw it and I didn't, because of fans standing in front of me, he always had to remind me of that) Goodbye old friend I'll see you around the corner. I want to wish the family, Fran, Mark, Jodie, Allen and Charlotte my deepest regret. I will never forget Mike.
