“ Mike was a great soul well being beyond his time. He never thought of himself as better than anyone and was always trying to help someone struggling. I never heard him say one negative thing about any one in the 3 short years I knew him. He will be greatly missed.

“ Mike was an interesting young man - he would come to visit my son at our home - we had many great talks about his drawing and his views on life experiences-we enjoyed some nature walks with my son, Mike and I - they both had tons of energy-even though they didn't always see things the same way they had a similar love of drawing-Mike always seemed to want to do his best and tried to be a good friend to you. It was a pleasure to have known him. My deepest sympathy to his family and other friends. Sharon Chosse (Spencer's mom)
