“ My sincere condolences to the entire Driscoll family on the death of Muriel. She was like a second mother to me and I will miss her terribly.. we watched old moviess together, told me funny stories about her childhood, and introduced me to her favorite place on earth, Anna Maria Island , Florida, where we spent many wonderful vacations. Rest in peace, dear Muriel

Linda Gillis - October 24, 2024 at 06:35 PM

My deep sympathy to Muriel's family. Muriel and I became friends many years ago on Anna Maria Island. It was our little piece of paradise that we enjoyed, spending some time together. Muriel was a dear lady and became very special to me during our visits each winter. Her family was very special to her and I know they will miss her. ❤️
