“ *Muriel -  
A lifetime of memories and friendship -- since I was five years old. I miss all the times we walked around the block with Charlie, played kickball, and Barbies, monopoly in the camper, sledding - with Charlie - who didn't know how to lean into the curves, so we would crash into trees. All the crazy times in your yellow oldsmobile.*

*I will miss you old friend.*

“ *Me-AI, you were my first protector, hair stylist, Santa Claus and employer, my first job as shoe shagger do you could whip them at the TV when the reception went out. I'll forever cherish the time we spent together these past few weeks. Until we meet again, get the Monopoly game set up, you'll be the shoe and I'll be the dog. Love you forever and a day.*
