“ Prayers and condolences to all of Nancy's family. I worked with her at Squannacook elementary school. How proud of her sons she was. Later when I ran into her, how thrilled she was to be a grandmother. I am shocked and saddened. God bless you with happy memories of a wonderful woman.

“ I am so sorry for the loss of Nancy. My heart broke when I heard. I first met Nancy at Dr. Sprague's office, where she was always a smiling face and gave comfort when needed. Then I had children that she would see at the office and she always showed genuine excitement over watching them grow. Nancy also became a part of my McNabb Pharmacy family, where she kept me up to date on things going on in her life, especially her joy and complete adoration over her grand babies. She couldn't have been more proud. Please know that you are all in my thoughts and prayers, and that Nancy touched so many more lives than you can even imagine.
