

## Nina M. Baldarelli

February 2, 1959 - May 18, 2024

Nina M. Baldarelli, formerly of Fitchburg, passed away on May 18, 2024.

She was born in Fitchburg, the daughter of Theresa (Isabelle) and James Baldarelli, on February 2, 1959.

She graduated from SBHS in 1977 and Assumption College in 1981, majoring in Psychology. Nina spent a semester abroad in Bath, England and often recounted the pleasures of her “grand tour” during that time. She completed the Katherine Gibbs business administration program and went on to work for various companies as an executive secretary, assistant, and office manager.

Nina was a devoted Trekie, especially after the introduction of Patrick Stewart. She had great affection for the various cats in her life who brought her companionship and joy. Nina was predeceased by her mother, father, and brother, Jamie.

She is survived by her sister-in-law, Beth Baldarelli, her cousin, Annelisa Addante and husband, Rick Brown, several other cousins, her long time and loyal friends: Katrina Sweitzer and Chris Kudym, and her kind and caring neighbors: Jennifer, James (her “IT guy”), and Lew.

The family would like to thank the folks at Corcoran House, her always

cheerful visitor, Cara, the team at Artisans Memory Care Community, the staff at River Terrace, and her Guardian, Katie. They cared for Nina with compassion, humor, and kindness.

The Isabelle & Anderson Funeral Home in Fitchburg has been entrusted with arrangements. Interment will be private.
