“ *I have many pictures and memories of Mami Lulu. I always felt welcomed when I walked into her home. Always ready to feed me. LOL Distance and circumstances makes it unable for me to be there in body BUT KNOW that my heart and thoughts are with you all. I will wear pink tomorrow to honor Mami as her body goes up to catch her wings!*

“ Los momentos más tristes es perder un ser querido. Pero la muerte es un camino a una nueva vida. Hermana Olga nadie te reemplaza en esta vida, siempre estarás en mis pensamientos y corazón. Tu sonrisa, sensibilidad y amor eran tu fuerte. A pesar de estar distantes cuando venías a tu Isla Puerto Rico disfrutamos de bellos momentos. Hermana te amo eternamente, que tu alma descanse en paz y brille la luz eterna para ti. Tu hermana Mirta y tu sobrino Julio Enrique. 🙏👍😭

“ I am usually good at words, but I don't think that I can express how truly amazing LuLu was and how much unconditional love she has shown me throughout the years... anyone that has ever had the opportunity to feel her hugs... her kisses on the cheek or the amazing food she cooked was and is truly blessed. She was an amazing woman... and angel on earth. May you Rest In Peace LuLu... we love you and will never forget your warmth. “ Olga was one of the most precious women I've ever had the pleasure of meeting. She treated me like one of her own. Her smile, her laughter was bright enough to light the darkness in any ones heart. We danced in Jaime's living room, we danced at Krystal's baby shower and she moved like no other ! I remember her and Jaime's mom cooking for Krystal's baby shower and mommy Olga would sneak me and Capi pieces of pernil without Jaime looking. I remember the visits to my house, the conversation we would had followed with a smile and warm hugs !

Thank you mommy Olga for those memories but, most importantly, Thank You for showing me the love you held for your family and excepting me like I was one of your own.

"The loss of a mother can never be replaced, but the love of a mother can never be lost."

Mommy Olga !!! I love you and will miss you !!!!!
