I've had trouble clearing my thoughts in getting my ideas out there. I do enjoy writing but it just seems like the first 10 to 15 minutes are lost just trying to figure out how to begin. Any ideas or hints? Kudos!

“ Основные достоинства мойки с самообслуживанием перед портальной автомобильной мойкой

Современный автомобиль — это довольно сложное устройство, что нуждается в правильной эксплуатации и периодическом техническом обслуживании. Мойка машины является важнейшим элементом технического обслуживания, потому как она дает возможность не просто сделать вашу машину визуально как новенькую, но и немного защитить от ржавчины кузов авто, продлив время его службы.

В последние восемь лет колоссальной популярностью по всей планете, в том числе и в России, стали пользоваться мойки-самообслуживание и причин данной тенденции можно отыскать сразу несколько.

Главный аргумент в пользу [\[url=https://washercar.ru/catalog/\]](https://washercar.ru/catalog/)оборудование мойка самообслуживания москва[\[/url\]](#) — это огромная экономия на периодической мойке легковушки, в сравнении с использованием классической портальной мойки.

Приехав на мойку нового типа, вы платите только за эксплуатацию аппаратуры и места на автомойке, и кстати тарифы здесь весьма щадящие. Ещё большей экономичности можно достичь, если использовать собственные косметические средства для машины, а не искать их на мойке.

“ Dear Julie, Dave and Emma,

My memories of Paige at her time in Marymount is of a happy girl bouncing around while we tried to conference about Emma. I knew Emma best and loved the time she spent helping me out at the end of the summer getting my class ready. Emma spoke fondly of her sister and I am sure that you are all still wondering what has hit you. Words are never enough but know that you are all in my thoughts during this heartbreaking time.

“ Dear Julie, Dave and Emma,

Upon hearing from a nice woman I met recently about this turn of events, I am thinking of you as these first weeks unfold as we hold Paige's spirit and your family in our hearts. With our own MHC connections and also knowing how difficult it is to have to bid a younger loved one an earthly farewell, I trust loving support with see you and her closer friends through this difficult challenge.

Our son Kaelan's service is on youtube and recounts a risky river outing that some of his friends were taking part in to celebrate the last day of their freshman year of high school. The healing for all comes over time and having support. Peace and love...

“ Hi Dave & Julie, I met Dave and Paige once at St. Foy - and it would only take one time to realize the joy she could instill on people in a room. I am so sorry for your loss, but so happy that you had Gigi for the 20 years she was yours - you were blessed. If I could say something to make you feel better, I would ... honest. My sincere condolences for the loss and my best wishes for you both and Emma to find happiness again, in time. Best, always, Jul & Jean-Claude xo

“ Dear Zeiler Family,

I am so deeply sorry to hear about Paige's passing. Along with Printsessa, we used to work together in theatre and I have some of my best memories at ASP with her by my side. I remember all the times in which we would run around and sing We Are Young, or when we acted together for the first time in Conference of the Birds. Paige was one of my first friends in ASP and I'll never forget her or any of the memories we shared together.

To the parents, thank you for bringing such a good soul into the world. Although she's left us too soon, she's made a beautiful impact on so many people and the world was a better place for the 20 years she shared with us here.

I am so sorry to hear about Paige - I have fond memories of her as a teammate, and as a friend! I was on her softball team when I was a sophomore, and she was a senior, and I remember how inclusive she was to all of us lower-classmen. She led by her actions, and never used her seniority against us. For our ISSTs in London, she brought the cutest M&Ms that were customized with sayings such as "Go Rebels!" “ I graduated the same year as Paige, and was in high school with her from freshman year till senior year.

I didn't know her too well, I very rarely talked to her, but yet I vividly recall all this: the sheer glee in her eyes, the joyful whoop of her laugh, the energy in her stride as she walked down the halls. She was never tired, she was one the few people that I remarked when genuinely happy to be in school and ready to learn. She always wore bright colours, to match her personality. She never hid beneath a facade as many of us did in high school - and thank the universe for that, for someone so good hould set a starking example to all. That's certainly what she did for me, specially in English class with Mr. McEachern, when I'd look at her from the other side of the room and think: "she's always so darn happy. I've got to cheer up too."

I can only imagine what her family must be like to have raised such a lovely person. My deepest condolences to all.

“ Julie,
Shocked to hear about the demise of your daughter. It must be such a difficult time for all of you - but there are people all over the world offering their prayers. I'm a friend of your aunt Paula and through her I feel I know all of you. Losing a child is the worst kind of stomach kick, and words of condolence seem meaningless at this point. May god give you courage.
With tears in my eyes,

“ I have so many great childhood memories growing up with Paige. From fishing out kittens from under floorboards, to Easter lamb cake, Easter egg hunts, riding horses, and even breaking my arm! She was truly a bright light that shone for all the world to see. I'll be praying for you Zeiler family. I love you all.

“ Dear Zeiler Family,

I am at a loss for what to say. Paige's passing has been a shock to our entire community. I knew Paige in the briefest of contexts, as her softball coach at ASP, but I can say that even in just that short time Paige touched the lives of a number of other girls in such a positive way.

Paige was the cornerstone of our team. As our only senior, the younger girls looked to her for leadership, stability, and perspective, and Paige always delivered. A quiet leader, she was always the first out on to the field, and the last one in. It's tradition that the younger players carry the equipment, but Paige never set herself above her teammates, and often shouldered the heaviest burdens without complaint and always with a smile. She played hard, ran out every hit, led practices with the intent of making herself better everyday, and was the ideal role model of a strong woman for the younger girls. And what set her apart was her infectiously positive attitude. It was no secret that our young squad lost more than a few games that year, but it never seemed to phase Paige, and her resoluteness and willingness to support every girl on the team made her our natural leader. I was more than happy to present her with our Leadership Award that year, an award that no player I have ever coached has embodied more. I can say with complete honesty that Paige was one of my favorite players in my entire career, and the impression she left upon her peers and coaches was indelible. She has left us too soon, but thanks to her, I know there are now others who will help light the way as she did.
