“ My condolences to the entire Keady family. Mrs. Keady, and her husband, were very nice and helpful to be in my younger years in Shirley and they will never be forgotten. They always welcomed me at their home to play with the 5 KJKs, helped me with rides to various sporting events, and treated me like part of the family. I will always remember Mrs. Keady as a strong and loving person. God bless the family during this trying time.

“ To the Keady Family: I send my sincere condolences to all of you for the passing of your Mom. She will definitely be missed by all of you, and I will miss her deeply. Pat and I go way back when we both worked together at Fort Devens. She was a wonderful lady and so much fun. There was a group of us from Fort Devens that would enjoy going to her house for the spectacular spaghetti and meatballs she made for our group's Annual Christmas Together. She always made all 14 of us, a small gift with our name on it. She was so clever. We all sat in front of her beautiful Christmas Tree and Village that she displayed under her tree each year. I wasn't able to attend her wake and Mass, as I was ill; but I will always remember my wonderful friend Pat K. and our great talks we always had on the phone. I will also remember all the hair cuts I enjoyed giving Pat, and our talks we had at the Salon. May she Rest-In-Peace and God Bless her and her Family.

Truly a classy, classy, woman who understood the meaning of selfless love and self giving. Pat exuded love under so many challenges time and again. A great loss to all in the community for her example of mature kindness and compassion in the face of her adversity. Not too many public words but always filled with strength and love. Her strength was a powerful witness to perseverance under so many varied situations. She was a magnificent role model to us, her children, and grandchildren. A great blessing from God! Eternal grace to Pat!
