ASHBY – Patricia A. “Patty” (Burke) Mains, 67, of Ashby, passed away on Friday, April 1, 2022 after a long battle with Primary Progressive Aphasia.

Prior to her sickness, she was a creative free-spirited woman, talented artist (often referring to herself as “Artsy Fartsy”), and was well known for her award-winning and incredibly delicious baking. She had an infectious laugh and a love for music, movies and makeup.

Born in Needham on July 14, 1954, Patricia was the daughter to the late Leonard F. and her surviving mother, Patricia A. (Seery) Burke. In addition to her father, Patricia was predeceased by her husband Kimberley Mains.

In addition to her mother of Needham, Patricia is lovingly survived by her son, Joshua K Mains and his wife, Carolyn, of Ashby; her daughter, Hillary Shannon Marchand and her husband, Frederick, of Hubbardston; her brother, Leonard L. Burke and his wife, Kyung-Mee of Attleboro; her grandchildren, Lucas Mains, Tyler Marchand and Dylan Marchand all of which she adored beyond measure. She is also survived by many cousins, nieces and nephews.

She was a devoted congregant of the Kingdom Hall of Jehovah’s Witnesses in Pepperell. As one of Jehovah’s Witnesses, she believed in a positive hope for the future as promised in the Bible such as at Rev 21:3-5.

At the family's request, Patricia's services are private. In lieu of flowers, donations may be made in Patricia's memory to the Kingdom Hall of Jehovah's Witnesses in Pepperell at www.donate.jw.org.

“ I remember Patti's infectious laugh. I recall 2 special times our families interacted. One was to create a pre-wedding video for a friend and the other was when Patti and I shared recipes. I taught her how to make bread and she taught me how to bake the best cheesecake ever! Not too dense and not too light - Just right... I am looking forward to seeing her in the New System when she is fully well and ready to bake me another delicious cheesecake.

When I think of Patti I see her cruising around in her white Toyota Tercel, two door, stick shift listening to Billy Ocean. She was always helping her kids with their homework and making sure there was a stockpile of after school snacks. She made the most amazing cheese cake and I'm sure we will all have some with her in the New World. Thinking of all of you and sending hugs. Heather Love
