“ Just heard the news. So sorry. What a wonderful woman. I have fond memories of her when I was a kid growing up in Shirley. She is in Heaven discussing old times with my Mom, I have no doubt.

“ *I'm so sorry for your loss. I'd like to share some real hope with you. In john 5:28-29 and Acts 24:15 the bible promises a resurrection of our loved ones back to earth. When Jesus resurrected Lazarus from the dead, he brought him back to earth. He's going to do that on a much larger scale in the future. In Psalms 37:11 29 tells us man will live forever on the earth in peace. That was God's original purpose, for man to live forever in the garden of eden. God's purpose hasn't changed. Isaiah 45:18 says God created the earth to be inhabited. That's why he gave his son to die for us, John 3:16, so we could have everlasting life. In revelation 21:4 says there'll be no more pain or death. Is there pain and death in heaven? Of course not. Those are future conditions on earth under God's kingdom arrangement.*

“ *Dear Susan, I'm very sorry to hear about your mother. I have many fond memories of your mother and you and how she used to take my aunt Dot to Hampton Beach. I still remember how we use to ride to Burlington each morning. Seems like so long ago but I still remember. I even remember going to her retirement party. Please accept my sympathies, your mother was a wonderful person.*

“ Sue and family, my heartfelt and deepest sympathies to you all in the loss of your Mother/Friend, such a phenomenal woman. I loved Pat and she loved all of my family very much. I am sure that my Mom and Dad and Nin and Rueben have already welcomed her with opened arms. There is no doubt where she is going. Pat was an earth Angel and now heavenly. Prayers and God's blessings for you all.
