“ Cousin Paul, you will be so missed, but I am happy that you are no longer suffering. I'm sure that God has a special place for you with no more tears, pain or worry. I have so many good and fun memories of our childhood spent at the Zina farm in Hudson. We were so fortunate to have such great Aunts and Uncles. Remember all the pranks we played on each other? If you stopped in for a visit and I wasn't home you would definitely let me know that you were there. For example, you wrapped a fifty foot water hose all around the rail and post of my porch! I drove a week over the pile of rocks that you left in my driveway and finally realized that you had spelled out my name "Lea". You nicknamed me that and it stuck! I love you cuz! Leatrice
