“ Sean Tammy and all the Farley family Im am so sorry for your loss. Your Dad was an amazing person I was so excited to get him.as my 6th grade teacher. Word was " he's funny ..fun .. the best." He did used to get upset with me because I would try and sneak over to the class that had the baby chicks but he was certainly cool about it. Funny the things you remember

“ It is a sad day when we have to say good bye to such a great man. Huge influence on a lot of students. My 4th grade memory: Me and James Powers got in a fight outside the classroom, during the fight I threw my books. Mr. Farley witnessed this through the classroom windows. He came running out side and yelled at me, not for the fight, but throwing the books. He did have his priorities. LOL Rest in Peace !
