“ Dan, Alisha and family I am so sorry to hear about Paul's passing. Dan and Alisha I am thinking of you and am at peace knowing that him and Aunt Jo are together again. I have lots of fond memories from babysitting and sleeping over to Sunday dinners at Dots in NH. My thoughts and prayers are with all of you. This picture was at my wedding in 1995.

“ *Paul was a great simple man. He would be so happy going to play pool with his son. He wasn't a man of very many words or photos but loved his family. He had a love for his late wife that was like no other. We will always miss him.*

I will always love you the most Dan and Alisha ❤️
