

Paul R. Scholefield

August 29, 1932 - February 1, 2020

Pepperell: Paul R. Scholefield, 87, of Pepperell, died Saturday, February 1, 2020 at his home.

Mr. Scholefield was born in Dorchester, August 29, 1932, a son of Joseph B. and Helen (Freitas) Scholefield and resided in Lowell and Tewksbury before moving to Pepperell in 1968. He served in the Navy Reserves for 12 years. He was a 1952 graduate of Lowell Technical High School and in 1957 received his Masters Electrician License. For nearly forty years, Mr. Scholefield worked as an electrician at Raytheon Corporation, retiring in 1995. Following his retirement from Raytheon, he worked for five years as a self-employed electrician. He attended St. Joseph Church in Pepperell and was a 4th Degree in the Knights of Columbus. Both He and his wife Peggy Scholefield were foster parents for over 50 years and featured on Channel 5 Chronicle. Since 1968, Bob & Peggy devoted their lives to providing a home for veterans through the Bedford VA Hospital CRC program.

He loved woodworking, watching New England sport games and enjoyed a good game of cribbage with cousins Joan & Felix Rivera. When he wasn't tending to his gardens, he was attending every yard sale within a 30 mile radius. He enjoyed watching Star Trek and Old Western movies. He often spent time with his grandchildren at the old Pepperell Spa and other local

establishments discussing life and giving guidance. He was the king of the “Dad jokes”-left you shaking your head but a smile upon your face. Bob couldn’t be happier when deep sea fishing with his boys. He could often be found in the kitchen making his famous soups or sitting at the kitchen table reading his history books. Many conversations were had around his table regarding “the old country”-and “ back in a day” even if that day was yesterday.

He leaves his wife of 65 years, Adeline “Peggy” (Taylor) Scholefield; daughter Debra McDowell and late husband David of Nashua NH; son. Robert Scholefield & wife Robin of Madbury, NH; son, Scott Scholefield of Pepperell; son Colin P. Scholefield & wife Laura of Hollis NH, daughter Colleen Beliveau & husband Ken of Pepperell Ma, daughter Maria Scholefield of Pepperell, daughter Colleen Elizabeth of Pepperell, daughter Rebecca Scholefield of Jacksonville, FL; son GySgt. Terrell Stone of Yuma AZ; daughter Heidi Rivera of Leominster, son Mark DuPont and wife Mariann of Tallahassee, FL; son, Luis Rodriquez; son, Daniel Thompson, daughter Alicia Jaynes, and son David Rose. As foster parents their extended family includes countless children whom entered their lives & home through the Dept of Social Services. Bob also leaves 18 grandchildren and 11 Great Grandchildren. Bob touched many, many lives, is loved & will be dearly missed.

Mr. Scholefield’s family will receive family and friends from 2-5 PM Saturday, February 8, 2020 at the Anderson Funeral Home, 250 Main Street, (Rte 119) Townsend Center. A prayer service will be offered at 2PM. Please see www.andersonfuneral.com for additional information or to leave an on line condolence.

Bob was a great Man, Dad I ever had He had Taught me many things as I have Learned from him and I appreciated him with his Jokes even I don't Understand some of them. When I am on my own I have thoughts to call and see how he was doing but at the same time was afraid of the rejection of me or the anger but I know what I have done wrong and I have thought of what Dad have told me and taught me “ be yourself son and whatever you did wrong don't do it again” he said and I have never forgotten that and what he taught me make me a better man now and I thanks him for that To Family I pray for you guys and I'm sorry, do understand if shall nay want to forgive or do want to forgive me. “ *You’ve taught my Dad so many things about life- and we joke that he’s turning into you every day, especially when he makes “cowboy food” and tells us his random cowboy facts that he learned from you.*

Also, the way he loves flannels with pockets on the front. He always has a thousand things stuffed into his pocket, just like you.

Thank you for being a role model to my Dad, and always making him laugh.

Love you Grandpa.

“ To my wonderful father in law,

I first would like to thank you for raising your son Colin to be the man he is today. He is a great husband and father. I see a lot of you in Colin and also in our children. They have a love of History and a hatred of plastic bags :)

I think some my favorite memories of you are the time we played trivia pursuit and I was stumped on the question of what color was the Emerald city. I tried to tell you that I thought it was a trick question but that only made you laugh harder. also when Colin and I were first married we would go with you to the races in Seabrook. When Colin and I were dating and he had his truck that I believe is still in the driveway today, I would sit in the middle seat next to him and you told me that it was called the "COD" seat and of course I was confused on what that meant and you just laughed and said it meant come over darling.

Thank you for the love you have shown me as a Daughter-in-law and our children as a Grandfather.

I Love you, Rest in peace

“ Dear Dad,

You have touched and made a huge positive impact on the lives of so many people. You gave so much of yourself to our family and others. What a great legacy you have left behind! I will miss your jokes, your gags/tricks, your stories, your troubleshooting skills, and your uncanny way of making what was perceived to be big problems seem small and trivial. You were always there for me with advice, encouragement and a helping hand. You helped me build my first home and taught me all about electricity and certain tools. I will never forget sitting at the kitchen table with you when I was a young boy often eating liver (you told me it was beef or avocados..). I will miss watching you eat beans from a can, sardines and the many other odd food fetish's you had. I will never forget how interested you were in all the places I traveled to for my work and what I witnessed there. As a young boy, I will never forget watching you leave for work at 5 am each day from my bedroom window only to return around 10 or 11 pm because your worked two jobs many times to support us all. I will never forget you laughing at me when I lit the back yard on fire with a flare playing war games with my older brothers. I will never forget how you loved and cared for so many people and took little time for yourself. You were never caught up in materialistic things and always tried to re-use or re-purpose everything. I have countless great memories of you that I will cherish. I will never forget all the teachings you gave me and most importantly how to work hard and be a man.

Thank you for being my Father, forever in my heart.

Colin

*“As we look back over time
We find ourselves wondering...
Did we remember to thank you enough
For all you have done for us?
For all the times you were by our sides
To help and support us...
To celebrate our successes*

*To understand our problems
And accept our defeats
Or for teaching us by your example,
The value of hard work, good judgment,
Courage and integrity
We wonder if we ever thanked you
For the sacrifices you made.
To let us have the very best
And for the simple things
Like laughter, smiles and times we shared
If we have forgotten to show our
Gratitude enough for all the things you did,
We're thanking you now.
And we are hoping you knew all along,
How much you meant to us."*

Please accept my most sincere sympathies for the loss of your father. Allow me to share a blessed memory of your father. On Blake's wedding day, we shared hours of laughter eating cheese, crackers with sparkling cider. His smile lights up a room and his stories leave one scratching our head. Rest in peace and know the legacy you have left on this earth is with generosity, true love for your bride, and dedication to your many many children.
Peace and light
