“ *I am so saddened to know of Paulette's passing. We were high school friends and remained friends long time after that. We had a lot of laughs and good times. She was a very pleasant person to be around. We were always laughing together. We were there for each other no matter what. She was a great friend. Will never forget her laughter. My deepest condolences to Jerry and her family. She will be missed. Rest in peace Paulette. Thanks for the memories.*
