I'm so sorry for your loss. Aunt Pauline was my favorite out of all the sister's. She loved talking about their past. I'm going to miss Her stories. R.I.P.

“ *I first met Pauline while I was working on my garden on Kelsey Lane, across the street from Kevin's house. Then I met her again at exercise class in Ayer. She was always friendly and "sunny" - didn't have any complaints. She was missed when she had to stop going to class. Carolyn Waite*

“ *Pauline was my neighbor for my last 4 years in Shirley. She was such a sweet lady and loved to tell me stories of the neighborhood and town. She always remembered my name as Heather the feather which we both always got a laugh about! I helped her to get baby (her cat) more times than I can count when she was convinced that he was stuck (to this day I’m convinced Baby the cat hates me because of this, because he was never really “stuck” haha. I have fond memories of Pauline and will miss her very much. My condolences to all of her family.*
