

Pauline (St. John) David

June 19, 2017

Pauline (St. John) David was born in Three Rivers on November 22, 1920. After losing her mother at an early age, her father Henry St. John remarried and resettled in Fitchburg. At this time, Pauline started working in the Woolen Mills, in order to help support her family.

She eventually met the love of her life, Harvey who was playing piano at a local tavern. After they married, Harvey enlisted in World War II and served his country in the European Theatre, before returning home to his wife and first son, Richard.

Pauline loved caring for her family, playing Scrabble with her best friend, Anne, and challenging herself to a good cross word puzzle. She also enjoyed summers on the screen porch watching her grandkids splash in the pool. She also enjoyed her time in Fort Myers, FL with family.

She is survived by two sons, Dennis of Fitchburg, Bruce of Ashburnham, and her nine grandchildren: Lisa, Chelsea, Hannah, Tyson, Adeline, Josiah, Genevieve, Jill, and Kara and nine great grandchildren, who loved her dearly.

Pauline was predeceased in by two sons, Richard in 2008 and Gary in 2002.

We will forever have loving thoughts for a special lady who loved her family

and friends unconditionally.

The family is forever grateful for the caring staff on the 3rd floor at the Highlands and her old friends at Manor on the Hill in Leominster.
