“ My daughter and I enjoyed fellowship and learning how to knit with Penny. We spent many happy and comforting hours together laughing, sharing and knitting with Pennys gentle guidance. She truly was a Merry Weaver and she touched many hearts while doing it, she will be truly missed.

“ Penny was always a welcome face to see whether in the church office that I rushed over to every day after school or at a family barbecue or holiday celebration. She will be missed and our family will always remember and cherish the time she spent with us.

“ It was truly a blessing to have fellowship with Penny (and Bob, of course). We would go out for coffee from Cumberlands and go on long rides. We had a lot of Godly discussions and laughs. We could never sit near each other in church or make eye contact during service because we would just laugh. I will miss hear until His Kingdom come.
God bless and comfort Bob, Dawne and Michael and the Debettencourt family.

“ Dear Bob & Mike, From the bottom of our hearts we would like to express our sorrow and sympathy for the passing of such a sweet and special lady. As you mourn may you be comforted by the mercy of God our Father. At the same time we rejoice at the homecoming of a beloved daughter of the King knowing you will be reunited with her again. Penny's cheerfulness and willingness to encourage others will be her legacy. Your family is in our thoughts and prayers. With Love, The LaFleur Family, Kristi, Chris and Katie

“ *"You walked with the Lord when you were here and you are walking with Him now.
"I can only imagine". I just loved talking to you on the long telephone calls we had and Warren and I enjoyed listening to you when we were together at cookouts we enjoyed at Dave and Greta's house.
Rest easy my friend. Bob, so sorry for your loss. We will be holding you and your family up in prayer. Love, Warren and Joanne*

“ Penny you were always so friendly when I first started attending Hope! I was shocked and dismayed to hear of you and Bob both being sick and ultimately of your death. I have no doubt where you are, hopefully we will meet again my Christian friend!
