“ Wykid / ça para logique puisque Sagat a en effet un boss pendant longtemps et souvent plus redoutable que le dictateur lui-même. C'est pas pour rien qu'il est l'empereur du muay thaï et l'ex king of the street fighters! Mais pour ce qui est de sa version SFIV, c'est clair qu'il est plus crack que jamais: il suffit de voir sa domination écorante dans les tournois! J'espère que ça changera avec SSFIV...
