“ I just learned of Phyllis' passing today. Phyllis was funny, driven and beautiful inside and out. We worked together for Mariner and had a great friendship outside of work. Our journeys through life took different directions and it was not easy to stay in touch. As the years passed communication was diminished. Our last phone call was upbeat with our usual laughter and banter. Phyllis will be missed but always in my memories of the antics we experienced during our lengthy friendship. Phyllis, may you rest in peace my sweet friend and may we meet again, The Irish lasses will stroll the peaceful green together once again. My deepest sympathy to Mrs. Madigan, Tim and all of Phyllis' family.

“ *I just learned of Phyllis' passing today and I'm so very deeply saddened. I worked very closely with Phyllis for over seven years when she was doing consulting work for Alliance Healthcare. I have many fond memories of she and I preparing for sales training meetings into the wee hours of the night. She always wore a smile and we shared more laughs together than I can count. You all have my deepest condolences and I'm so very sorry for your loss.*
