“ I'm sorry to here of Perky's passing. I was friends with her sister Karen when we were teenagers and she and Perky seemed very close. I'm sorry to know that we've lost a bright light. I'm glad to know she's not in pain and with some of her loved ones.

“ Priscilla and I were high school friends along with our best friend Ruthie. I knew the family well and I have kept in touch with her for years about our other high school survivors. I knew she was at the care center and called a few times and didn't get a response, so I assumed she was failing. I was pleased to hear Mary and Glenda are still with us, hoping they are not in failing health at this time. Please give them and their brothers my love! My thoughts and prayers and LOVE are with you all at this time. Judy Taylor Haroldsen
