“ Have known Priscilla (and Lenny) for several years...Most recently, including last year, I enjoyed bringing a group of Christmas carolers including the youth group, from Townsend Congregational Church to their home. Priscilla enjoyed singing along with us, and even had holiday goodies prepared for us! I will truly miss her this year. Her smile always lit up any room she was in. My sympathy to all those in her family. You are in my thoughts and prayers.

“ Priscilla had a perpetual smile on her face and a great sense of humor. I remember when someone pointed out to her that her initial, PMS, could mean something else to some people. How she laughed at that! She was a delightful woman, and I'll miss her at future family events. Sincere condolences to Tim, Kevin, Linda, and the rest of the family.

“ *It is a bitter sweet time. We are saying see you later to a very special, lovely, caring, kind, funny lady. But she is now with the King of Kings and Lord of Lords! No more sadness, no more pain, no more stress. Priscilla was the embodiment of Joy and Love. She always had a smile, and loved to laugh! Her life was a living testimony and example for all! She will be missed!*
