“ Randy was a great friend from my days living in Shirley in the 70s.

Ball games, fishing expeditions, hanging around together were times I will always cherish.

I was honored to have him serve as an usher at my wedding.

Only saw him occasionally after moving to VIRGINIA, but I'll never forget one of my true friends.

RIP my friend.....

“ What can I say about my brother Randy? There is just not enough room on this page to describe the type of man you were. God sure did gain a hero when he called you home last week. I will never get over this loss and my heart is broken to pieces. You and Lucy have done so much for me over the years. I will always have the beautiful memories of vacations you took me on like Canada, Florida and Maine. You taught me to ski and how to ride a mini bike and so much more. I keep hoping this is just a bad dream and I'll wake up tomorrow to see you again. Tomorrow is going to be one tough day when we have to say our final good bye. I love you so much and will forever miss you. Love your baby sister.

“ My deepest sympathy to the Friedrich family. I was a co-worker at Sycamore but more importantly Randy was a friend. Randy always had a smile especially on days after he did something with his grandchild.
